## Course Overview

This is a practical course at an Intermediate level that allows students to develop and improve their listening, comprehension and pronunciation skills while helping students succeed in the planned objectives from IO-5420. Furthermore, this course may help one's intonation and rhythm in the English language as well as a source of acquiring vocabulary.

### **DESCRIPCIÓN DEL CURSO**

El presente es un curso semestral práctico de nivel intermedio, que permite a los(as) estudiantes desarrollar y mejorar sus habilidades de escucha, comprensión y pronunciación. Este curso es complementario con el curso de Comunicación Oral III (IO-5420). Además, el curso ayuda a la entonación y ritmo en el idioma inglés y es a la vez una fuente de adquisición de vocabulario.

## **Teaching Methodology:**

Students will listen to material with modeled pronunciation in which they have the opportunity of repeating and even taping the same. On other occasions, students will read passages to practice one's intonation and rhythm. Undergraduates will also carry out various exercises including paragraph completion and listening for specific information from lectures and others. Student's participation in vocabulary terms, summing up a lecture, analyzing what was heard and seen, etc. is necessary in the completion of the course objectives.

**Note: This is a lab course in which attendance is mandatory. Any absence must be justified with a certified doctor's note within a week of the absence.**

## **METODOLOGÍA DE ENSEÑANZA:**

Los(as) estudiantes escucharán materiales con pronunciación modelo, donde podrán repetir e incluso hacer algunas grabaciones. En otras ocasiones los(as) estudiantes leerán textos para practicar la entonación y el ritmo. Los y las alumnos(as) también llevarán a cabo varios ejercicios que incluyen la compleción de párrafos y la escucha de información vital en textos sonoros y grabaciones de discursos. La participación del grupo de estudiantes en clase es trascendental ya que cada uno es responsable de escuchar, repetir, comprender, reproducir, y explicar lo escuchado, definiendo vocabulario, resumiendo un discurso o analizando lo escuchado o visto.
